

Atelier 3 Sisters

Intrigued by antiquities, the 3 Sisters were elated to inherit a book of French textiles and immediately knew it was the inspiration for their new line. While perusing the pages in their studio, it seemed fitting to name the group **Atelier**; French for a designer's workshop. Together they created romantic, faded collages showcasing the delicate shirtings and the original artists' notes regarding the designs which were then height of fashion. The Sisters are pleased to share this beautiful collection of exquisite fabrics with you.
