**HO HO HO**

FINISH SIZE: 31" x 7"

*We found that in the actual quilt, eliminating extra spaces between each 'HO' read better as one block. Feel free to add spaces back in and adjust spacing as needed.*

**ACCURACY:** If you prefer to piece larger borders and then cut the word block down to size, instead cut (2) 2" x 5½" sashings for the outer borders, and cut (2) 2" x 32" top and bottom borders. Once you've assembled the full word, trim the block to 31½" x 7½".

**SPACING:** There's an extra space built into the letter 'L' in order to make the finished letter 4" across. If you want, eliminate the sashing between the L-O. Cut (4) sashings as normal, and the block will finish 20" x 7" instead. You can then add (1) 1½" x 7½" sashing to the full row at the end to make it all line up.

**Keep reading for alternate letter piecing for the K, N & R that will save you a bit of work for Nutcracker in particular!**

Just a reminder, the lettering for this QAL is from the pattern-for-purchase **Mini Alphabet Quilt** by **Primitive Gatherings** (PRI 442). You can find the pattern at your local quilt shop (or they can order it for you), and select retailers have the pattern as a PDF download.

We're giving you the words assembly along the way every month, but if you want to work ahead, here's a summary of how to calculate your sizing:

A. Each Letter Finished = 4"x5"

B. Each Sashing between Letters Finished = 1"x5"

C. Each Top/Bottom border Finished = 1"x (width of letters + sashings)
