

Lancaster

Jo Morton

Forever in love with 19th Century Quilts, my Lancaster collection fills the bill to add another color layer to our quilts.

Lancaster provides beautiful prints for traditional and reproduction quilts, including madder reds and golds that give life to the 19th century browns, blacks and neutrals. These fabrics feature a great “momma bear” stripe that’s not too big, not too small, that’s just right, lovely florals, and a cool little dot print. There are also leaves and buds, a few interesting background prints and a sweet small check will be perfect for traditional quilts.

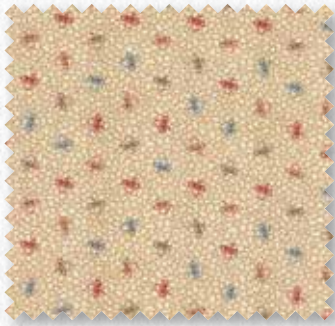

Expect nothing and appreciate everything.
