

# PUMPKIN SPICE *gatherings*

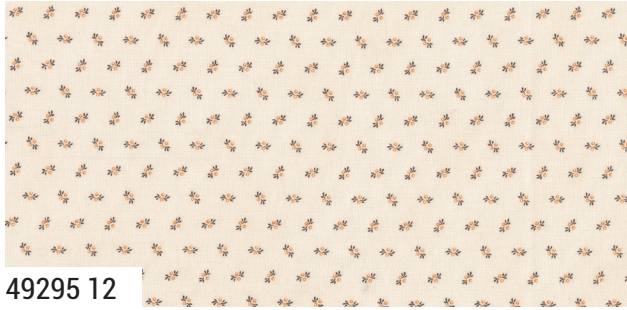

By: *Primitive Gatherings*

THERE IS NOTHING QUITE LIKE THAT MOMENT where the first feeling of fall fills the air. As summer dwindles away and the days grow shorter, they bring with them a sense of reflection and quiet. The soft crunch of drying leaves underfoot, the smell of burning wood from fireplaces off in the distance, and the beautiful palette of sunsets full of purples, oranges and browns, can be seen through the bare branches of trees that have tucked in for the winter ahead. I designed Pumpkin Spice Gatherings to celebrate the season in which we don our sweaters, break out our warmest quilts, and start plans for the string of holidays to come, when we can gather with loved ones.
