Christmas memories – remembering the old, enjoying the new and anticipating those still yet to come. It's one of our favorite things about the holidays so when Urban Chicks turned two of our favorite Christmas icons into quilts, socks and tea towels, we were smitten. And so were you!

Because of the continuing love for the vintage-modern style of the Swell and Sweet Christmas collections, the Swell Christmas Santa and the Sweet Christmas Snowman are back with some of the favorite prints from each collection. As an extra-special treat, the Santa and Snowman now come in different sizes, making them perfect for pillows, wall-hangings and small projects.

Christmas has never been so swell, and so sweet.
