Just as I was first inspired to create quilts by the quilts made by my Grandmas that lived on the top shelves of the linen closet when I was little - *Ambleside* was also inspired by those quilts & some of the vintage fabrics in my collection. Classic & fresh at the same time, with colors & prints that reflect the crisp breath of spring, *Ambleside* embraces an airy linen white, soft spring hues of duck egg blue, willow, blush, sunbeam yellow, & is grounded with a cobblestone grey & a pop of rosy red. . . ready to inspire you to create treasures for your home & those you love.
