

# Coledale QUILT JANE

*A single rose can be my garden ... a single friend, my world. -Leo Buscaglia*

QJP M3018 / QJP M3018G Freshly Picked Size: 70" x 80"

Coledale is our little acre of happiness. This is where we built a home, then filled it with children, chickens and a dog named Jasper. The garden is full of life, it's been hardened by drought and refreshed by the long rains. Feel at home as you wander amongst the delicate, native blossoms, fruit trees, and majestic rainforest trees. Be surprised by the array of colourful birds that feed on the trees and then feel the cool raindrops on your face as the summer storms roll in.
