From our home to yours - sharing stories, food and laughter with those we love whether they live around the corner or across the country, that's what the holidays are all about. Each year, the days and weeks seem to fly by more quickly with a longer to-do list than ever. The holidays are a special time to reflect, renew and reconnect with the most important people and things in our lives. *Heartfelt* is my gift to you in traditional Christmas reds and greens tied up with a giant KT bow. From my heart to yours, have a Merry Christmas all year through.
