

Monster Bash

Sandy Gervais

If these monsters came a knockin' at my door I would surely give them a treat! They are not the least bit spooky. In fact I think they are down right cute.

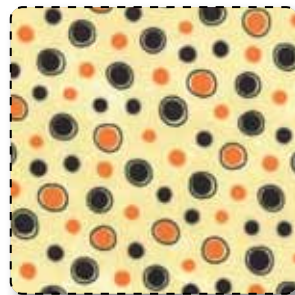

Can you guess which monster likes candy corn? Did your mom ever tell you that your teeth would turn into candy corn if you ate too much?

Bright colors like pumpkin orange and goblin green and novelty prints make this line as much fun as a first grader's Halloween!
