

# ON LAKE TIME

Deb Strain

**GROWING UP, SOME OF MY FAVORITE MEMORIES** are of times spent on a lake. We would get a cabin or cottage with my cousins and spend the days swimming, water skiing, fishing and canoeing. Everyone relaxed, laughed a lot and enjoyed nature and being together. Now, as an adult, we cherish the times spent with our own children and grandchildren on the banks of a lake.

"On Lake Time" features the colors and icons of those relaxing getaways. Filled with shorelines, trees, docks and water, this collection will be the perfect fabric to celebrate your special days and memories, "On Lake Time."
