# RAINBOW SHERBET

by Sarah Thomas of SARIDITTY 

Whether you say SHERBET or SHERBERT, Sarah Thomas' (of SARIDITTY) Moda debut collection, Rainbow Sherbet, will have you begging for 2 scoops of all the flavors! She was inspired to combine both her own sketches, doodles & quilting patterns mixed with a yummy, full-spectrum palette of tasty frozen sherbet flavors. This collection is a celebration of summertime favorites: waffle cones, fresh fruit, flower blossoms, sunshine, rainbows, sandy beaches & quilting, of course! Now dig in to your favorite flavor combos, and don't forget the cherry on top!
