ZEN CHIC

Good vibes matter! As quilters and sewists, we are lucky to have a hobby that can change our mood and brighten our days - no matter what is happening in the world around us.

Let's be inspired by upbeat quotes with a sewing theme. Make every kind of bag and storage bin, table decor and aprons, pillows and framed art for the walls. Treat yourself to a cool gift - and make another for a couple of your friends. Spread good vibes and Sew Happy!
