Sunrise Sunset

Prints and Batiks

6450 12* Tawny

There is nothing more peaceful and calming than being on the lake at sunrise or sunset. That special time when you can just make out the shadow of the boats gliding across the glass like water. It is one of my most favorite places to be.

I can imagine myself on the shore in an adirondack chair, taking in all the beauty nature has to offer. We tried to capture the colors of a sunrise as darkness starts to fade in rich tones of teal, warm golden brown and all the shades of reds in the sunset.
