“Summertime, and the livin’ is easy...”

After the gray of an Ohio winter, I am always ready for the riot of happy color that spring and summer bring. The rich reds, pinks, oranges, yellows, greens and blues of Sunwashed are a feast for the eyes. Filled with brightly colored flowers in every shade and size, busy bees, and the perfect picnic check, the collection also brings back my popular “x-print” in new colors. A summertime polka dot is the finishing touch for porch-ready quilts and pillows.
