CUTTING & PREPARATION

- From ¼ yard or charm squares, cut (20) squares 2 ½" x 2 ½"
- Arrange (20) squares 2 ½" x 2 ½" and (39) mini charm squares as desired according to the diagram shown below.
- OPTIONAL: If desired, replace (9) mini charm squares in the center with a 6 ½" x 6 ½" background piece with an applique'd Grandmother's Flower Garden block. Use (7) mini charms for the hexagon flower pieces.

PIECING

Unless otherwise specified, all seams are a scant ¼".

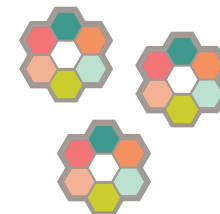

- Sew the pieces together, pressing seams in each row in the opposite direction so that the seams will nest when sewing the rows together including the outer charm background pieces. If including the center square with hexi's replace the center section. For video instructions on making the hexi's reference Sherri's video link on next page.
- Press well.
- Trim using a ruler to trim ¼" past the seam allowances so no points are cut off.
