FABRIC REQUIREMENTS

3 YARDS - BELLA SOLIDS, ROBINS EGG
BLOCKS, PIECED BORDER

9900 85

4½ YARDS - BELLA SOLIDS, OFF WHITE
BLOCKS, SASHING, BORDERS

9900 200

**3YARDS - BELLA SOLIDS, FROST
ALTERNATE LAYOUT-will need additional white also

9900 262

⅝ YARD - BINDING
4 YARDS - BACKING

SUPPLIES

(1) CAKE MIX RECIPE 7 FOUNDATION RECIPE CARDS

CM7

70" × 79" PIECE OF BATTING

CUTTING

WOF = Width of Fabric (approx. 42")

FROM THE ROBINS EGG BELLA SOLID:

Cut (10) 10" × WOF strips. From strips, cut:
- (38) 10" × 10" squares

CUTTING, CONT.

FROM THE OFF WHITE BELLA SOLID:

Cut (10) 10" × WOF strips. From strips, cut:
- (38) 10" × 10" squares

Cut (7) 4¼" × WOF strips. Set aside for border.
Cut (11) 2" × WOF strips. Set aside seven strips for
quilt assembly. From remaining four strips, cut:
- (12) 2" × 12½" vertical sashing strips

FROM THE BINDING FABRIC:

Cut (7) 2½" × WOF strips

MAKING THE BLOCK UNITS

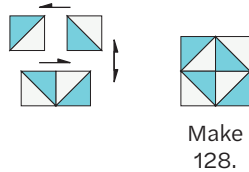

Fabrics are sewn with right sides together. Refer to [this video](#) where Lissa Alexander shows you how to use the Cake Mix Recipe papers. HST = Half-square Triangle

1. Layer one Off White 10" square onto a Robins Egg 10" square. Lining up the edges of the fabric squares, pin a Cake Mix Recipe 7 recipe card on top.
2. Beginning at the star, stitch the layers together on the dashed lines in the direction of the arrows.
3. Cut apart using the solid lines. Press seams toward the darker fabric, gently tear away the paper, and trim away the points to make four 3½" × 3½" HST units and (16) 2" × 2" HST units.
4. Repeat to stitch a total of 38 recipe cards to make (152) 3½" × 3½" HST units and (608) 2" × 2" HST units. Set aside (32) 2" × 2" HST units for another project or use in a pieced backing.

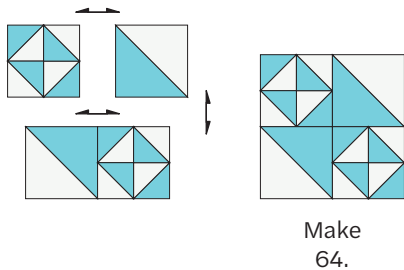

MAKING THE BLOCKS

Use a scant ¼" seam allowance. Refer to arrows for pressing.

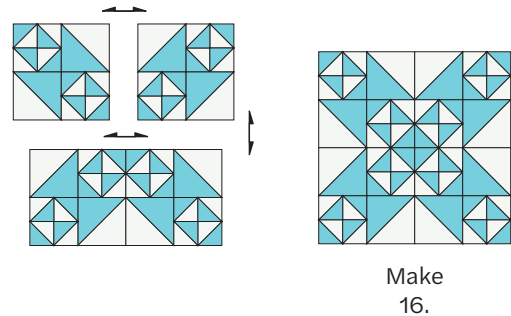

5. Lay out four 2" × 2" HST units, as shown. Sew together into rows. Sew the rows together to make a unit measuring 3½" × 3½". Make 128.

6. Gather two units from step 5 and two 3½" × 3½" HST units; lay out as shown. Sew together into rows. Sew the rows together to make a Four Patch unit measuring 6½" × 6½". Make 64.

7. Lay out four Four Patch units, as shown. Sew together into rows. Sew the rows together to make the Cream Puffs block measuring 12½" × 12½". Make 16.

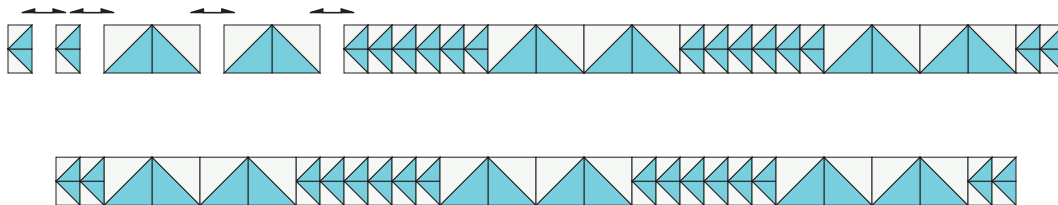

8. Sew together two 2" × 2" HST units to make a small Flying Geese unit measuring 2" × 3½". Make 32. Using two 3½" × 3½" HST units, sew together in the same way to make a large Flying Geese unit measuring 3½" × 6½". Make 12.

**Alternate Layout does not use any of the large triangles of color Robin's Egg so there will be extras of these shapes in color 85 to use in borders and other projects. Will still need same yardages and additional white yardages to do this layout.

ASSEMBLY AND FINISHING

9. Join 16 small Flying Geese units and six large Flying Geese units into a row, as shown. Row measures 3½" × 60½". Make 2.

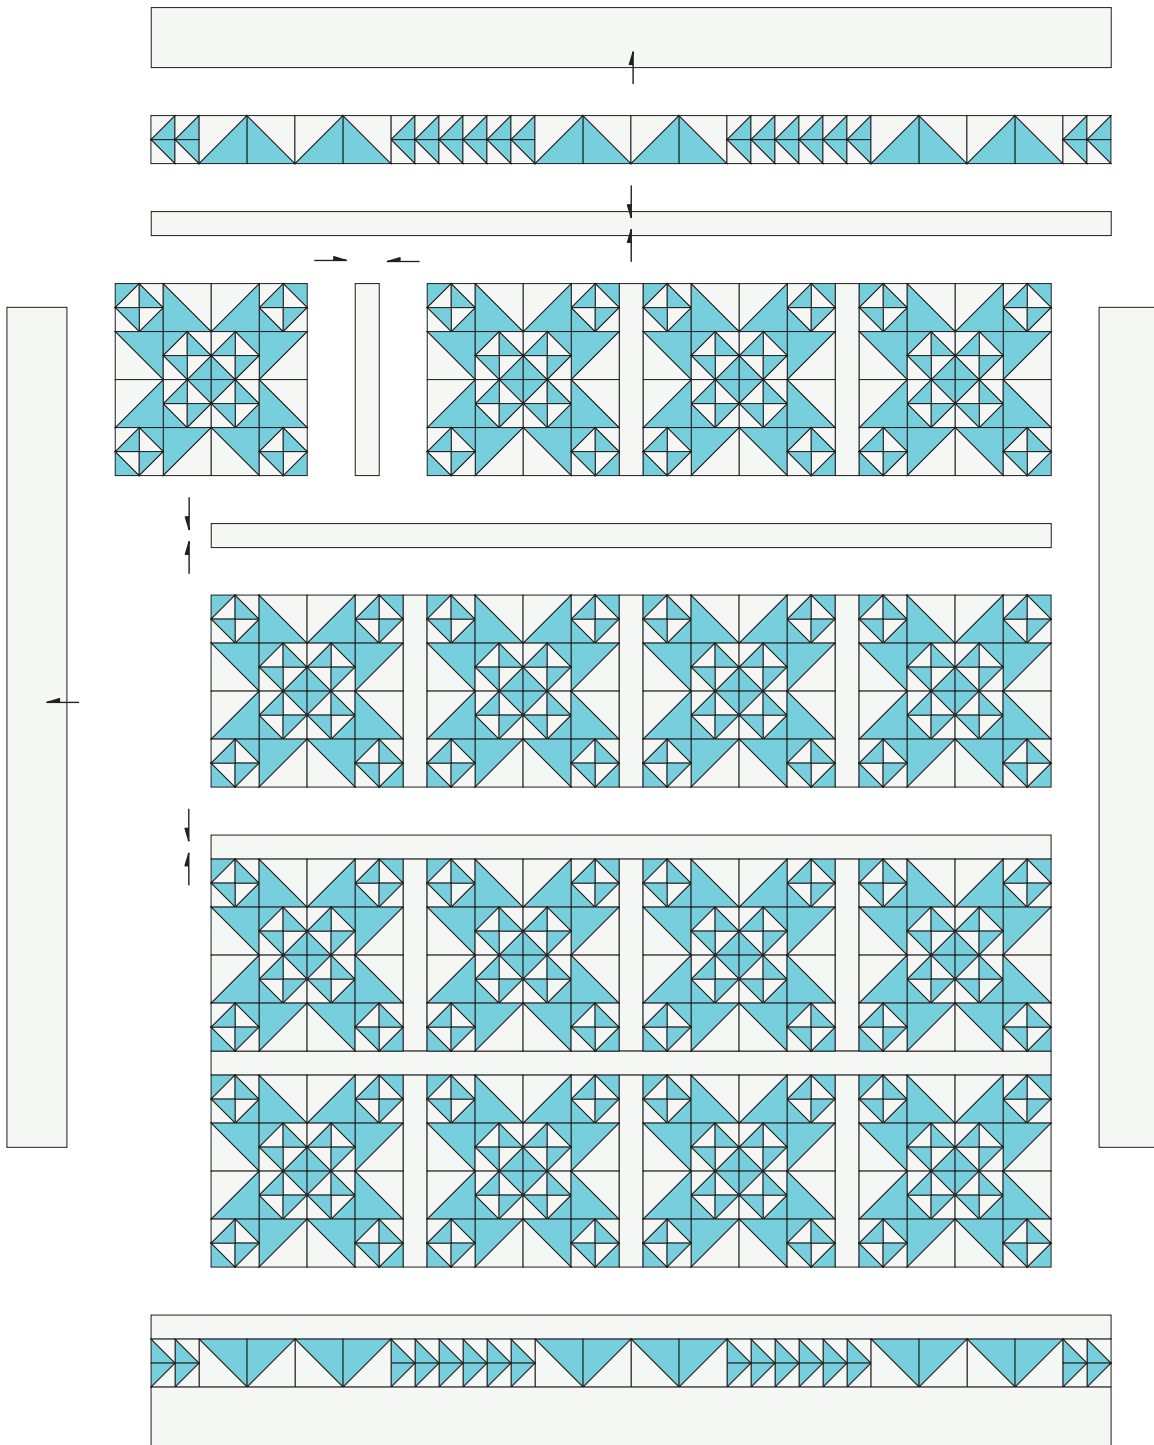

Make 2.

Refer to the quilt assembly on page 5.

10. Lay out the (16) Cream Puff blocks and the (12) 2" × 12½" vertical white sashing strips into four rows of four blocks each, placing the sashing strips between blocks. Sew the blocks and sashing strips together into rows.
11. Making horizontal sashing strips: Join three white 2" × WOF strips together using diagonal seams to make one long strip. From the strip subcut three horizontal sashing strips measuring 2" × 53". Lay out the strips in between the block rows and sew together to make the quilt center. Quilt center measures 53" × 53".
12. Making and attaching side border strips: Sew three 4¼" × WOF white border strips together using diagonal seams to create one long strip. From strip, subcut two 4¼" × 53" strips and sew to each side of the quilt center. Quilt top measures 53" × 60½".
13. Join the remaining three 2" × WOF white strips using diagonal seams to make one long strip. From the strip, cut two 2" × 60½" lengths and attach to the top and bottom edges of the quilt top.
14. Paying attention to orientation, lay out the two Flying Geese rows made in step 9. Join the rows to the top and bottom edges of the quilt top.
15. Sew together the remaining three 4¼" × WOF strips using diagonal seams to make one long strip. From the strip, cut two strips measuring 4¼" × 60½". Join strips to the top and bottom edges of the quilt top. Quilt top measures 60½" × 69½".
16. Prepare backing. Layer, baste, and quilt as desired.
17. Trim the batting and backing even with the quilt top.
18. Sew the seven binding strips together using diagonal seams. Bind the edges of the quilt to finish. Enjoy!
