- See diagram for layout*

BACKGROUND:

- from each of 5 backgrounds cut 2-20"x WOF strips subcut 4-20"x20" squares
- Binding: Cut 9-2½"x WOF strips

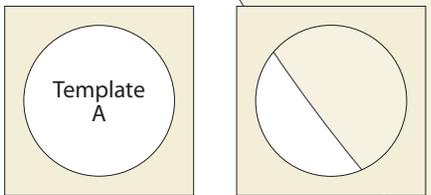

Quilter Basics

Read instructions before beginning a project. All instructions include a ¼" seam allowance. 22" measurement is approximate. WOF—approximately 40".

Construction

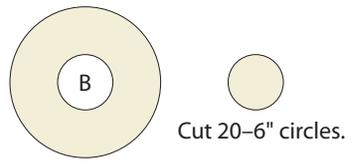

The instructions are written for raw edge appliqué.

1 16" Circle from Square: Trace Template A on template plastic, combining 4 sections to form a 16" circle. Mark the center of the circle on the template. Fold a 20" Background square in half twice to find center. Center and trace the circle on an 20" background square and carefully cut on the drawn line. Set aside circle for Step 2. Repeat for a total of 20 Background blocks, 4 from each of the 5 Backgrounds.

Center template and cut from square. Make 20.

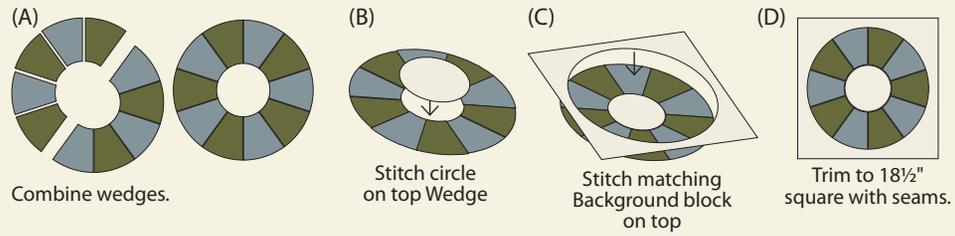

2 6" Center Circle: Trace Template B on template plastic, combining 4 sections to form a 6" circle. Trace the circle on the Background circles left over from Step 1 and cut out. Cut a total of 20-6" circles, 4 from each of the 5 Backgrounds.

Cut 20-6" circles.

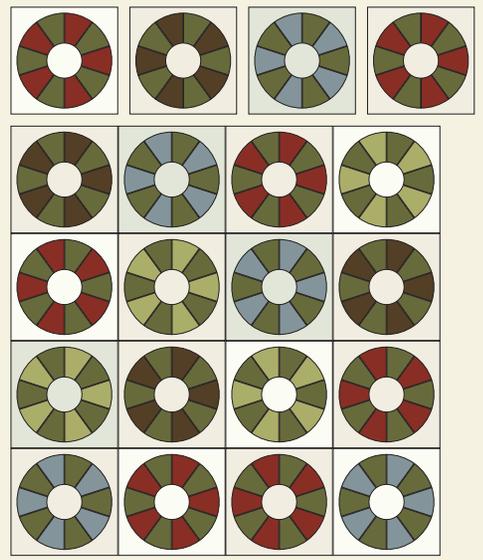

Repeat Step 3 to make 20 Main Blocks. The instructions are for raw edge appliqué.

3 Main Block: (A) Sew 5 Main wedges and 5 wedges of another print together, alternating the wedges. Press the seams in one direction. (B) Center a 6" Center Circle on the Wedge. Pin in place. The 6" circle will overlap the Wedge by about ½". Blanket or zig zag stitch the circle to the wedge. (Option: cut edge using decorative scissors before stitching or add rick rack) (C) Center the Background square that matches the 6" Circle on the Wedge/Circle. There will be a ½" overlap. Pin in place. Blanket or zig zag stitch. (Option: cut edge using decorative scissors before stitching or add rick rack) (D) Trim the Main Block to measure 18½"x 18½" with seams. Repeat to make 20 Main Blocks.

4 Combine 5 rows of 4 blocks each. Press the rows in opposite directions. Join the rows.

5 Join 9-2½"x WOF Binding strips. Layer, quilt and bind. ENJOY!
