FEATURING

Alexia Abegg's
WARP & WEFT WOVSNS
AND HER
SWATCH QUILT PATTERN

CUTTING INSTRUCTIONS

Need 1/3 yard of all fabric below | Cut each into (6) 4½" x 10½" rectangles

PIECING INSTRUCTIONS

1/4" Seam Allowance

1. This quilt is made up of two alternating horizontal rows. Sew three of each of the rows shown below.
2. Press the seams of your rows in alternating directions starting with the upper most row (row 1) of the quilt. Press row 1 seams to the left, then press row 2 seams to the right, repeating until all of your rows are pressed. This will allow the seams to nest in the next step.
3. Sew the rows of the quilt together, matching seams and keeping the seams pressed in alternate directions so that the seams nest. Start with the first two rows of the quilt, and then continue, sewing the next row to the lower edge of the previous row until the quilt top is complete.
4. Quilt and bind as desired.
