Get Ready to Roll! It's time to start thinking about National Sew a Jelly Roll Day, one of Moda's favorite yearly events celebrating one of our favorite precuts—The Jelly Roll®! Mark your calendars for Saturday, September 16th (the third Saturday in September). We'll have new Project Jelly Roll patterns coming your way in the next months, as well as the return of our Shop Display & Marketing Contest, and plenty of tips for how to succeed with your shop's National Sew a Jelly Roll Day event.

Make sure you've joined the **Moda Insider Facebook Group** to be the first to hear when contest info, patterns, and tips come available:
