**4B. If finishing as a PILLOW, read on.**

- Make the quilt sandwich with Top - Batting
- LINING, and baste (save Backing for the separate pillow back). Quilt as desired, and trim/square up to edges of the top. Quilted pillow top will measure approx. 36½" x 16½".
- On both 16½" x 22" Backing pieces, turn under one of the 16½" edges to the wrong side by about ½". Press to set fold.

- Fold raw edge in again toward the fold, to enclose that raw edge. Press again to set. Top-stitch ⅛" away from folded edge to finish.

- Layer the Pillow Top with both of the Backing pieces, Right Sides Together. The Backing folded edges should overlap in the center, with the outside edges aligned with the pillow top. Pin to secure.

- WITH A ½" SEAM ALLOWANCE, stitch around the pillow sandwich, making sure to backstitch where you start and stop. Do not leave an opening, stitch all the way around and overlap the start/stop points.

- Clip the seam allowance in the corners to reduce bulk, making sure not to cut through the seam.

- Turn right side out through the envelope pillow opening, and gently push out corners with a point turner or blunt chopstick. Press to get everything looking sharp again.

- If you prefer to bind the pillow, baste pillow top and backing pieces together Wrong Sides together, and then attach and finish binding as desired.

Enjoy!
