

Vista Toweling and Wovens

My Inspiration BY JENELLE KENT

Vista Wovens 42" wide 30 SKUs

Vista: A pleasing view.
Mother nature has combined the colour and textures of nature to make the view perfect. The mossy greens of the trees and plants, the rusty, rocky cliffs and the blues of the sky and ocean.

The checks and stripes in Vista will add texture, dimension and directionality to quilts and other projects.

Select from this range to make contemporary, scrappy, masculine or gentle quilts and pretty projects.

Combined with coordinating toweling, the possibilities for projects is endless and whatever you choose to stitch will create your own beautiful vista.

Bella Boxes

Requirements

- 1/2yd (50cm) of 18" wide toweling
- 1/2yd (50cm) lining fabric
- 1/2yd (50cm) lightweight fusible interfacing
- 1/2yd (50cm) lightweight fusible batting

Cutting

- * Toweling - cut 15" length and trim off hems. Should measure approx 17" wide x 15" long.
- * Cut lining, interfacing and batting the same size as the toweling - 15" x 17".

Preparation

1. Fuse interfacing to the wrong side of the lining.
2. Fuse batting to the wrong side of the toweling.
3. Cut a 5" square from each corner of both rectangles.

Completing the Bella Boxes

1. Fold the corners, right sides together, so the A sides meet. Stitch down with a 1/4" seam. I recommend using a walking foot.
2. Repeat for the B, C and D sides, on both the toweling and the lining.
3. Turn the toweling box right sides out and place inside the lining so they are right sides together.
4. Sew around the top edges of the box, leaving a 4" gap for turning through.
5. Turn right sides out. Press the top edges.
6. Sew around the top edge, very close to the edge, sewing up the opening as you go.
7. Press the corners well. Pinch the vertical corners, lining sides together and sew down all the corners through all the fabric layers. See diagram. Make more for your friends.

Stitch down each vertical corner through all layers.
