

Summer time in the fabric world means...seasonal sewing! All of our Christmas lines will pop up at your favorite shops over the next few months. This month we are sharing a sweet little quilt made with sweet smallscale prints from Bonnie and Camille's upcoming Little Ruby line.
This quilt finishes at 72 " x 80".

## Ingredients:

16 assorted Fat Quarters \{Little Ruby by Bonnie and Camille\}
$31 / 2$ yards background and inner border fabric
$11 / 8$ yard outer border border fabric
$3 / 4$ yards binding fabric
$51 / 2$ yards backing fabric

## Instructions:

There are two different rows in this quilt. The pinwheels in Row A rotate in one direction and the pinwheels in Row B spin in the opposite direction. Note: You will be using each of the 16 prints twice.

## Cutting

From each of 16 fat quarters, cut:

- $4-47 / 8^{\prime \prime}$ squares
- $4-41 / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$ rectangles

From background and inner border fabric, cut:

- $8-47 / 8^{\prime \prime} \times$ WOF strips; subcut into $64-47 / 8^{\prime \prime}$ squares cut once on the diagonal
- $16-4 \frac{1}{2}$ " x WOF strips sewn end-to-end and cut into $2-4 \frac{1}{2}$ " $\times 64 \frac{1}{2} 2^{\prime \prime}$ strips and $2-4 \frac{1}{2}$ " $\times 72^{1} / 2^{\prime \prime}$ strips

From outer border fabric, cut:
 From binding fabric, cut:

- $8-2 \frac{1}{2}$ " x WOF strips; sewn end-to-end on the diagonal

## Row A Blocks

(A) Select from one print:

2-47/8" squares
2-4 $\mathbf{1}_{2} \mathbf{2}^{\prime \prime} \times 8 \frac{1}{2}$ " rectangles
Carefully cut the $2-47 / 8^{\prime \prime}$ squares on the diagonal as shown. Note the direction of the print.

(B) Combine the print triangles with a $47 / 8^{\prime \prime}$ Background triangle to make 4 half square triangles.

Make 4 Half square triangles
$41 / 2^{\prime \prime} \times 4 / /^{\prime \prime}$
with seams
(C) Sew the half square triangles together to make one Pinwheel block. Press the seams open.

(D) Draw a diagonal line on the back of one $41 / 2$ " Background square. Layer the Background square and one $41 / 2$ " $\times 8 \frac{1}{2} 2^{\prime}$ print right sides together as shown. Stitch on the diagonal line. Trim $1 / 4$ " away from the stitching. Press to the corner to form a triangle. Repeat with the second print rectangle as shown.
Set aside the Pinwheel and 2 rectangles together.

## Row B Blocks:

(A) Select from one print:

2-47/8" squares
2-41/2" x $8 \frac{1}{2} 2^{\prime \prime}$ rectangles
Carefully cut the $2-47 / 8^{\prime \prime}$ squares on the diagonal as shown. Note the direction of the print.

(B) Combine the print triangles with a $47 / 8^{\prime \prime}$ Background triangle to make 4 half square triangles.

Make 4 Half square triangles

(C) Sew the half square triangles together to make one Pinwheel block. Press the seams open.

Pinwheel B
$81 / 2^{\prime \prime} \times 81 / 2^{\prime \prime}$ with seams
(D) Draw a diagonal line on the back of one $41 / 2^{\prime \prime}$ Background square. Layer the Background square and one $41 / 2$ " $\times 8^{1} / 2^{\prime}$ print right sides together as shown. Stitch on the diagonal line. Trim $1 / 4$ away from the stitching. Press to the corner to form a triangle. Repeat with the second print rectangle as shown.
Set aside the Pinwheel and 2 rectangles together.

Repeat to make total of
16-(1 Pinwheel \& 2 rectangles) sets for Row B.

## Assemble the Quilt Top

Make sure you have the 1 Pinwheel \& 2 rectangles sets in the correct row, either Row A or Row B. Layout the entire quilt top before you start sewing. A pattern is created by the placement of the blocks.

Sew the rectangles together first and then sew the row together. Keep checking to make sure you are making the patterns in each of the rows. Press away from the pinwheel blocks. You will have some leftover rectangles.

## Add the Borders

Always press away from the center of the quilt top.
Add the $2-4 \frac{1}{2}$ " $\times 641 / 2^{\prime \prime}$ Background Borders to the sides.
Add the $2-4 \frac{1}{2}$ "x $72 \frac{1}{2} 2^{\prime \prime}$ Background Borders to the top and bottom.
Add the $2-4 \frac{1}{2}$ " $\times 72 \frac{1}{2} 2^{\prime \prime}$ Final Borders to the sides.
Add the $2-4 \frac{1}{2} 2^{\prime \prime} \times 80^{1 / 2}$ " Final Borders to the top and bottom.
Sew the $8-2 \frac{1}{2}$ " x WOF Binding strips together. Layer, quilt and bind. ENJOY!

## Yield:

This quilt finishes at 72 " x 80".
