With the 4 Red 2 1/2" x 2 1/2" place a white 1 1/2" x 1 1/2" square on opposite corners. Stitch one thread from the drawn line toward the outside edge. Open and press the white corner triangle, matching the white corner with the red square corner. Trim the excess from the back leaving 1/4" seam.

With the 4 Green 2 1/2" x 2 1/2" place a white 1 1/2" x 1 1/2" square on adjacent corners. Stitch, flip, press and trim as done with the red squares.

Layout your block units as shown below. Ensure the units are oriented in the correct direction.

Stitch the block together as a traditional 9-patch, chain piecing works great. Press rows 1 & 3 seams away from the center. Press row 2 seams toward the center. Nest the seams that are in opposite directions and pin, stitch rows together. The final 2 seams bulk is reduced by pressing the seams open.
