Cut apart on the pencil line. Press each unit and trim to 3" square. Repeat to make a total of 52 Half Square Triangles.

3 SAWTOOTH STAR BLOCKS: Flying Geese

NOTE: These instructions are for the no-waste method.

Gather (1) 6¼" outer star square and (4) 3⅜" inner star squares. Draw a diagonal line on the back of all of the smaller squares. Line up two smaller squares along the diagonal of a larger square, right sides together (the middles will overlap).

Sew ¼" away from the center line on both sides. Cut on the center line. Press the units, pressing the seam allowance toward the smaller triangles. Take care not to distort the fabric when pressing.

Line a smaller square up with the corner as shown. Sew ¼" away from the center line on both sides. Cut on the center line.
