

INGREDIENTS

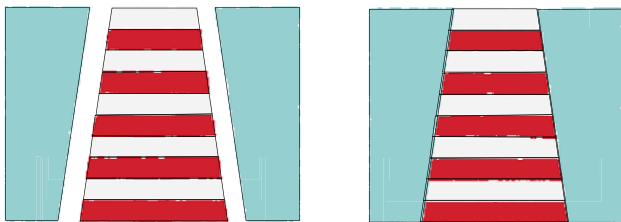

Fabric A	(5) 1½" x 8" strips
Fabric B	(5) 1½" x 8" strips
Fabric C	Cut from templates B, C, E, F, G, H, I
Fabric D	(1) 1½" x 5" rectangle

INSTRUCTIONS

- Starting with Fabric B, sew alternating Fabric B and A strips together until all 10 stripes are sewn.
- Place "A" template on top of strips and using a ruler and rotary cutter, cut out the lighthouse base.

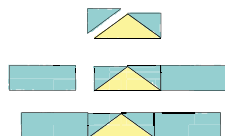

- Sew Fabric C piece cut from template "B" to left side and template "C" to the right side of lighthouse base.

- Sew template "E" to left side of template "D" (yellow light). Sew template "F" to right side of template "D".

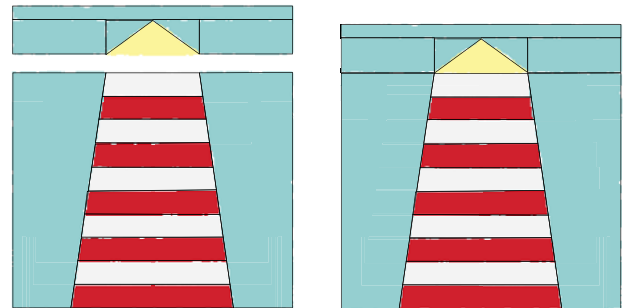

- Sew template "G" to left side of light unit. Sew template "H" to right side of light unit.

- Sew template "I" which is 1" x 12.5" to top of light unit.

ASSEMBLE BLOCK

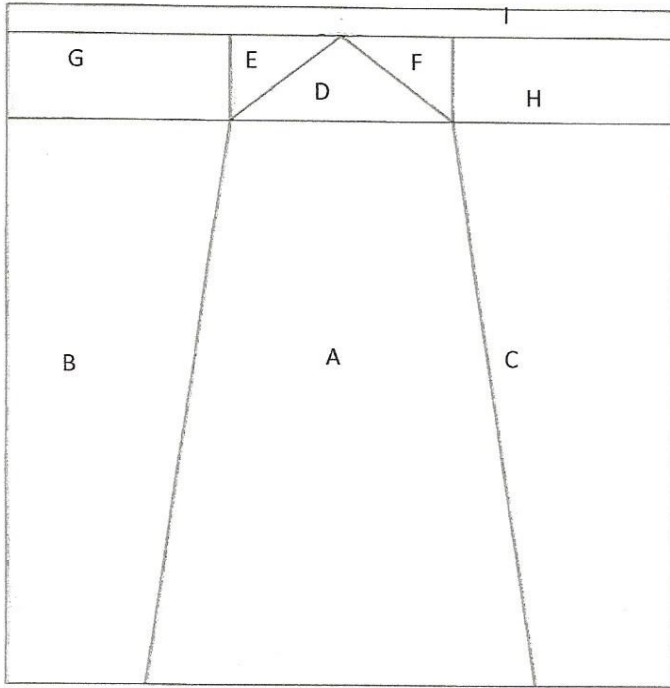

Combine top and bottom units.

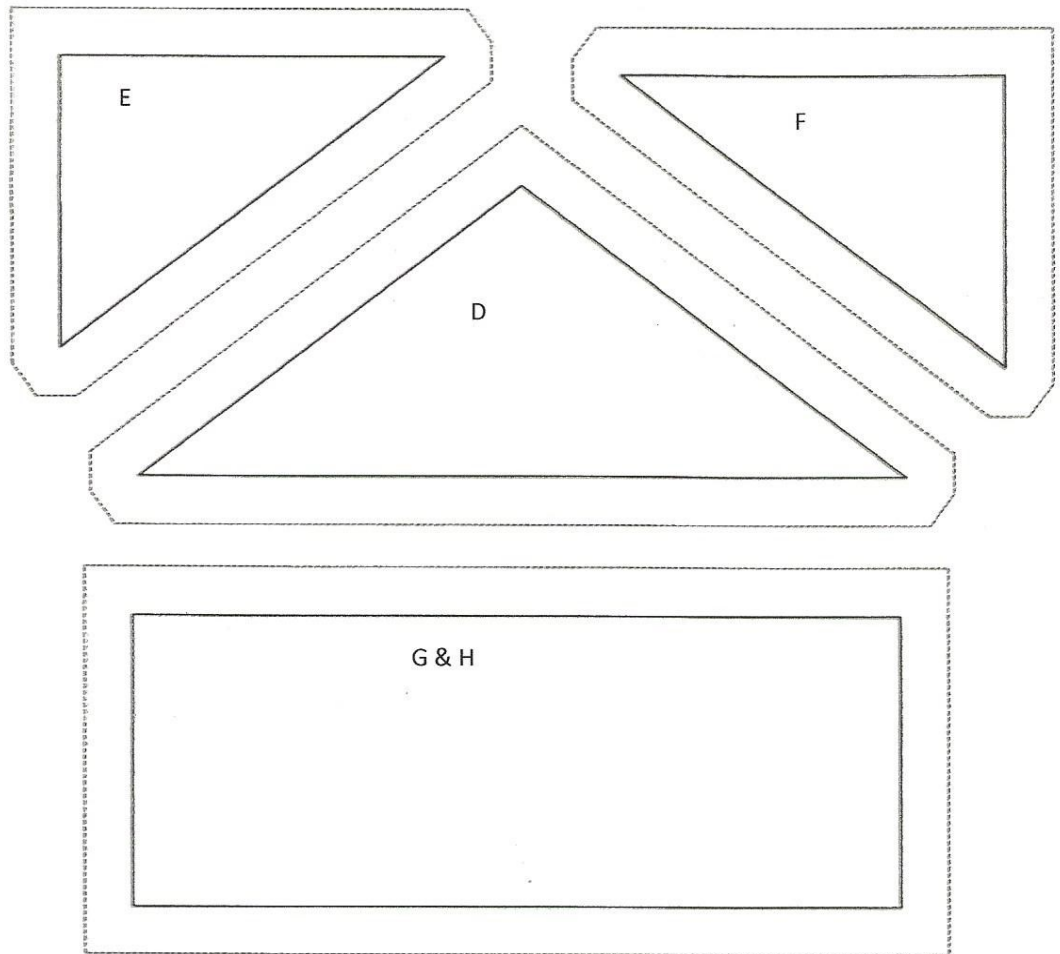

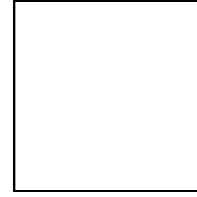

This block measures 12.5" x 12.5" unfinished.
