🎄 INSTRUCTIONS

The following instructions are for the 6" block. The 12" block is made exactly the same way, but the 12" block patch sizes are listed in the brackets [].

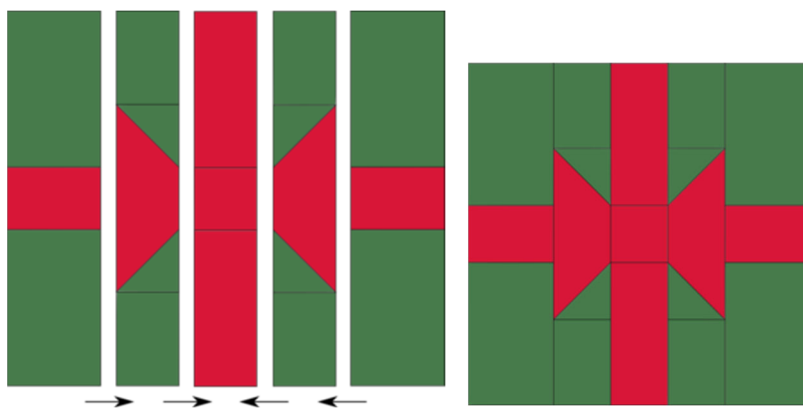

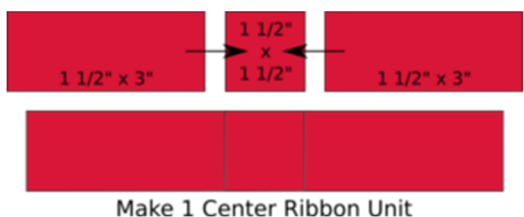

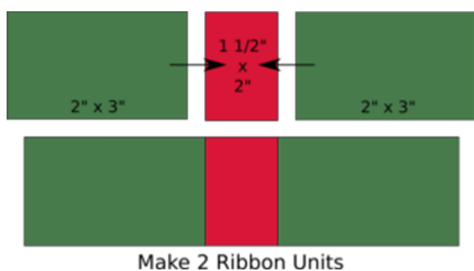

Make Bow Units

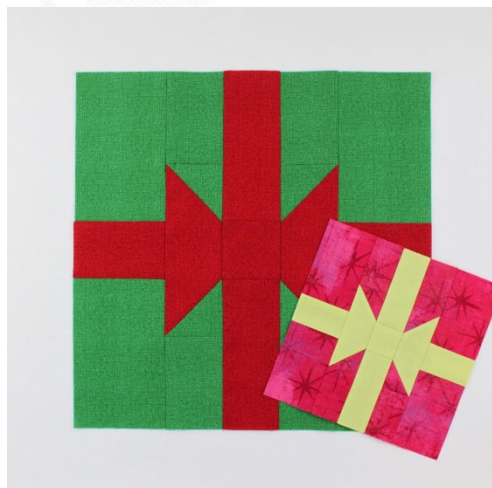

1. On the wrong side of 4 green print 1½" squares [2½" squares], use a pencil to lightly draw a diagonal line from corner to corner. Layer a marked green print 1½" square [2½" square] atop a red print 1½" x 3½" rectangle [2½" x 6½" rectangle] with right sides together as shown and stitch the pair together on the drawn line. Be mindful of the orientation of the stitching line.
2. Trim seam allowance to ¼" and press toward the red print.
3. Repeat steps 1 and 2 at the opposite end of the red print 1½" x 3½" rectangle [2½" x 6½" rectangle], paying careful attention to the orientation of the stitching line. Repeat to make 2 bow units.

Assemble Block:

1. Stitch together 2 green print 2" x 3" rectangles [3½" x 5½" rectangles] and 1 red print 1½" x 2" rectangle [2½" x 3½" rectangle] with the red print rectangle in the middle as shown. Press seam allowances toward the red print. Repeat to make 2 ribbon units.

2. Stitch together 2 green print $1\frac{1}{2}$ " x 2" rectangles [$2\frac{1}{2}$ " x $3\frac{1}{2}$ " rectangles] and 1 bow unit with the bow unit in the middle as shown. Press seam allowances toward the green print. Repeat to make 2 long bow units.
3. Stitch together 2 red print $1\frac{1}{2}$ " x 3" rectangles [$2\frac{1}{2}$ " x $5\frac{1}{2}$ " rectangles] and 1 red print $1\frac{1}{2}$ " x $1\frac{1}{2}$ " square [$2\frac{1}{2}$ " x $2\frac{1}{2}$ " square] with the red print square in the middle as shown. Press seam allowances toward the square to make a center ribbon unit.
4. Lay out 2 ribbon units, 2 long bow units and 1 center ribbon unit in vertical rows as shown. Stitch together all units. Press seam allowances toward the center to finish the block.
